A Word from the President

Greetings GTSBE Family!

On behalf of the Chapter Executive Board, I welcome you to the 2008-2009 school year and invite you to join us and have motivation... A.S.A.P. This year GTSBE is motivating the membership to impact the community Academically, Socially, And Professionally!

Burdell's Best Organization of the Year for 2008 has been working hard to bring you new and improved versions of our classic programs and to create new programs that will motivate you; from the Corporate Networking Dinner, to the Total Leader Challenge series, to competitions at the 2009 National Convention in Las Vegas, NV. We are ready, but we still need your help. We want your input to make this year even better for you, and we need your assistance in order to make all of our programs a success.

Join us every week at 11 am in the Student Center Theater for General Body Meetings, stop by to see us in Student Center room 331, or visit our website, www.gtsbe.org, to get the most up-to-date information about all of our events.

With NSBE Luv,

Yulani Smith

President, Georgia Tech Chapter

COrE Workshop Series

COrE (Career Orientated Education)

Workshop Series

- Learn the skills necessary to succeed in the business world through our workshop series.
- Workshop titles to include
 - Interview and communication skills
 - Resume building and improvement
 - Using CareerBuzz
 - Choosing a job offer
 - Dining etiquette

More information and registration coming soon at www.gtsbe.org

BGSA GT Networking Suite

Calling all student leadership, faculty, and GT Alumni! Bring your business cards and be prepared to develop your Georgia Tech network at the BGSA GT Networking Suite. In the interest of expanding your professional network, the Black Graduate Student Association, in conjunction with GTSBE, AASU, and the Student Advisory Committee to OMED (SACO), will be hosting a semi-formal networking event designed to foster the spirit of mentorship amongst current GT student leaders, faculty, and alumni. Taking place in Klaus 1116 event space on **OCTOBER 3rd, 2008** from 5pm to 8pm. Be sure to RSVP!

Visit www.gtsbe.org for more information regarding GTSBE events.

Motivating the membership to serve the community academically, socially, and professionally.

2008 Region 3 Fall Regional Conference (FRC)

Registration

Early Registration- Ends **September 30**
 Regular Registration- Ends **October 24**
 Late Registration- Ends **November 13**

Cost for Registration(Collegiate Members)

Early: \$55
 Regular : \$75
 Late: \$95
 Onsite: \$115

Visit <http://www.nsbe.org/region3/frc/index.htm> for more information.

Corporate Networking Dinner

- Think about your top three choices of employers. Would you enjoy accompanying one of them for a formal dinner?
 - The CND pairs students with one of their top three employers for a business formal dinner. Dinner will consist of getting to know more about the company and their professionals.
- * May want to consider attending the COE workshops to brush up on your networking skills

How to Become a Member?

2 Easy Steps

1. To become a NSBE member you must register online at the NSBE National website and pay National Dues which are \$13.00. *For More Information visit <https://nol.nsbe.org/>*
2. Once you have registered at the NSBE National website you can become a NSBE member at the Georgia Tech Chapter. To become a NSBE member at Georgia Tech you must pay Chapter Dues. Chapter Dues are \$5.00. Just attend one of our Chapter meeting dates for more information.

Visit www.gtsbe.org for more information regarding GTSBE events.

What is The Nile?

The Nile is a publication of GTSBE that focuses on keeping the members knowledgeable about NSBE with updates on committee activities, national and regional programs, campus issues, and emerging technologies.
